Requirements: *(Sign Ordinance No. 2012-02, Section 11, C. Temporary Banner Signs)*

- 1. Banners must be kept in good repair throughout the time of their display.
- 2. No more than one banner may be displayed at any one time at the establishment of the event.
- 3. Banners may not exceed twenty-four (24) square feet in area.
- 4. Banners may not be displayed for more than fourteen (14) days in succession and must be removed no more than one (1) day following any event to which they relate. Such banners may not be placed on any site more than six (6) times within a twelve (12) month period.
- 5. On-premise banners that announce the location or relocation of newly-located or relocated businesses are permitted. The banner may be exhibited no more than thirty (30) days commencing at the time that the temporary banner permit is issued. Such banners may not exceed twenty-four (24) square feet in area.

I fully understand the display requirements for temporary banner signs, and will conform to those requirements.
