FOR ROAD CLOSURES, WEATHER  
DELAYS AND MORE INFORMATION.

Andale Construction will be performing street maintenance in your area of Fair Oaks Ranch. The product is a High Density Mineral Bond called HA5. You can learn more at [www.preserveasphalt.com](http://www.preserveasphalt.com). This project will help to significantly extend the life of your asphalt streets. We ask for your cooperation during the process, and in return you will receive an improved road surface.

### PLEASE TURN OFF SPRINKLERS ON DAY OF CLOSURE FOR YOUR SECTION

**WHERE DO I PARK MY CAR?** While your road is closed, you may park on the street in any open area outside of the work zone. No vehicles will be allowed on the newly treated road surfaces until the road is reopened. Please do not park within 50 feet of any road being worked on.

**WHAT IF MY CAR IS PARKED ON A ROAD THAT IS CLOSED?** We will begin work at 7:00 A.M. and vehicles will be allowed to exit the area up until 7:30 A.M. The streets being treated will be closed for 24 hours. If your vehicle is on a street that will be blocked by adjacent surfacing work, it will have to remain until the work is complete.

**WHAT IF I DRIVE ON THE ROAD WHILE CLOSED?** Please do not attempt to drive on the road while it is closed as this may cause damage to your vehicle and several thousands of dollars of damage to the newly treated surface. **ANDALE CONSTRUCTION IS NOT** responsible for damage to your vehicle or to the newly treated road surface.

#### Frequently Asked Questions:

**Q: How will we get our mail, FEDEX and UPS packages?**

A: We have coordinated with the postal service and you will receive your mail and packages as scheduled.

**Q: How will the shuttle system work?**

A: You should be able to park within walking distance of your home. If assistance is needed with transport between your home and vehicle, please call (620)-222-8393 between the hours of 8:30am and 7:00pm.

**Q: How will this affect any landscaping work?**

A: Please hold off on any landscape work while road work is being performed and turn off sprinkler systems during and 24 hours after the road is treated.

**Q: How will this affect emergency vehicles?**

A: Emergency vehicles will be able to access any home in the neighborhood 24 hours a day.
