Stay Informed: Sign Up for Emergency Alerts & Water Outage Notifications

The City of Fair Oaks Ranch is now offering an easy way for residents to receive critical emergency alerts and water outage notifications — straight to their phone! Using the Regroup Mass Notification® system, you can stay connected to timely updates that matter most to your safety and daily routine.

Whether it's a sudden water service disruption, a severe weather warning, or another urgent situation, being in the know allows you to respond quickly and confidently.

Why It's Important to Sign Up

Emergencies can happen with little or no warning. By signing up for notifications, you'll:

- Get instant alerts about water outages, emergency situations, and important city updates.
- Choose how you receive alerts — via text, email, or phone call.
- Stay safe and prepared with real-time information tailored to your area.

These alerts help you avoid surprises and make informed decisions during unexpected events.

How to Sign Up

Signing up is quick and simple! Just follow these steps:

- Gather your contact information. Be sure to have your address, email, and a valid phone number ready to enter. You will also need to know your county of residence
- Scan the QR code on the insert or visit: <https://bit.ly/fortxEN>
- Enter your contact info into the form.
- Choose your preferred contact method — SMS, email, or voice call.
- Select your county of residence (choose the appropriate one for Fair Oaks Ranch).
- Click "Subscribe" — and you're all set!

 Need help? Call 210-698-0900 and someone will assist you with the signup process.

Stay Connected. Stay Protected.

Don't wait for an emergency to find out what's going on — take a moment today to subscribe to alerts and stay informed. It's free, easy, and a smart way to stay connected to your community.
